

## ERICK YORZETH MASIS CAVERO

Alajuela, Costa Rica | +506 8829-2124 | [yorzeth.info@gmail.com](mailto:yorzeth.info@gmail.com) [linkedin.com/in/yorzeth](https://www.linkedin.com/in/yorzeth)

### PROFESSIONAL SUMMARY

Highly motivated and detail-oriented professional with a multi-disciplinary background in **Quality Systems, Technical Support, and Software Engineering**. Currently serving as **Senior Quality Systems Development Technician** at Confluent Medical Technologies, leading the administration and continuous improvement of the **ETQ Reliance NXG** platform.

Expertise spans across **QMS configuration, ETQScript (Python-based)** automation, and full-stack development. Proven ability to lead strategic initiatives, such as global platform upgrades (v2025.3.0) and custom system integrations (Workday/Workato). Skilled in building scalable digital solutions that drive efficiency, traceability, and business value. Currently pursuing a B.S. in Software Engineering to bridge the gap between technical execution and enterprise innovation.

### TECHNICAL SKILLS

- **Programming & Scripting:** Python (ETQScript), JavaScript, Java, PHP, HTML5, CSS3.
- **Frameworks & Libraries:** Node.js (Express.js), Responsive UI Design, Dynamic Form Development.
- **Databases:** SQL Server (Backend development), MongoDB, MySQL, Oracle SQL.
- **Integrations & APIs:** REST API Integration, Workato, Postman Testing, SCIM events, SSO Authentication.
- **Networks & Systems:** CCNA Routing & Switching, Meraki Firewall Configuration, Network Monitoring, Static IP Setup.
- **Tools & Platforms:** ETQ Reliance, Jira Service Management, Confluence, Trello, Git, Visual Studio Code, AirWatch, Canopy, ConnectWise Control.
- **Languages:** English (Advanced B2 / Full Professional), Spanish (Native), Portuguese (Basic A1).

### PROFESSIONAL EXPERIENCE

**Confluent Medical Technologies** | Coyol Free Zone, Alajuela **Senior Quality Systems Development Technician** | April 2025 – Present

- **Platform Administration:** Lead the administration and development of ETQ Reliance (QMS) modules, workflows, and data integrations for global sites.
- **Software Development:** Configure **ETQScript**, custom fields, and automated rules to optimize system logic and maintain data integrity.
- **Strategic Initiatives:** Led the end-to-end development of a multi-building **Locker Management System** utilizing **SSO authentication** and a **SQL Server backend**.

- **Platform Upgrades:** Coordinating the technical verification of the **NXG 2025.3.0** release, reviewing **Software Testing Statements (CERT-00275)** and **Release Notes (MRN-00070)** to ensure compliance with **ISO 9001/27001** and **21 CFR Part 11**.
- **Integrations:** Support system provisioning logic and SCIM events for **Workday** via **Workato** integration.
- **Analysis:** Perform root-cause analysis and resolution for complex data integrity issues across production, validation, and development environments.

**Auxis Costa Rica Ltda.** | America Free Zone, Heredia **Retail Application Support Analyst** | June 2023 – April 2025 (1 year 11 months)

- Provided technical and operational support for enterprise retail systems (iOS, Windows, Android) across both frontend and backend environments.
- Managed network infrastructure components including **Meraki firewall** rules and static IP configurations.
- **Key Achievement:** Automated Jira ticket enrichment using custom filters and autocompletion scripts, increasing handling efficiency by **~20%**.
- Technical Documentation: Authored comprehensive configuration standards and troubleshooting manuals.

**Concentrix Costa Rica S.A.** | San José, Costa Rica **Chat Technical Support Specialist** | March 2023 – May 2023 (3 months)

- Delivered real-time technical assistance via chat for mobile devices and software issues.
- Utilized MDM tools (**AirWatch**, **Canopy**) for device diagnostics and troubleshooting.

**BrittShop Costa Rica (Morpho Travel Experience)** | Alajuela **Front of House Assistant** | June 2022 – February 2023 (9 months)

- Managed customer experience and operational service flow for international travelers.

**M&K Construction LLC** | PA, USA (Remote) **Executive Assistant / Project Coordinator** | May 2020 – May 2022 (2 years 1 month)

- Supported construction project operations through administrative management and documentation control.
- Coordinated communication between remote teams and clients to ensure on-time delivery.

**Pizzería Rodagi La Estación S.A.** **Waiter Supervisor** | December 2016 – April 2020 (3 years 5 months)

- Supervised team operations, scheduling, and training while maintaining high customer service standards.

## HIGHLIGHTED PROJECTS

- **Farmer's Market Web Application (CNP):** Developed a Full-Stack application for Costa Rica's National Production Council to manage products and customer pre-orders. Built with Node.js (Express), MongoDB, and JavaScript.
- **Cinema Management System:** Led a development team to create a comprehensive system for ticketing, scheduling, and seat control using PHP and MySQL.

## EDUCATION

- **B.S. in Software Engineering:** Universidad Cenfotec (2023 – Present).
- **Network Technician:** Universidad Nacional (2019 – 2021).
- **CCNA Routing & Switching:** Universidad Nacional (November 2021).
- **IT Essentials: Hardware & Software:** Universidad Nacional (2019).
- **High School Diploma:** MEP (2017).

## CERTIFICATIONS

- **ETQ Reliance:** Milestone EIGHT (Administrator), Milestone NINE (Basic Designer), ETQ Script, ETQ Validation.
- **Atlassian University (2023):** Jira Fundamentals, Confluence, Service Management, Trello Fundamentals.
- **AWS Cloud Practitioner:** VLA Academy (In Progress).
- **Intro to Generative AI Course | Introduction to Programming** (University of Edinburgh).
